

**American Foundry Society  
Cleveland Akron Canton - Ohio Chapter  
2015 COLLEGE SCHOLARSHIP AWARDS**

The CAC-Ohio Chapter of the American Foundry Society provides scholarships to college students each year. These scholarships are given in cooperation with the Foundry Educational Foundation in order to promote careers in the metal casting industry. This year's scholarships will be distributed at the December, 2015 monthly Chapter meeting. The minimum award is \$500.00 per scholarship.

**To qualify for a scholarship, students must meet the following criteria:**

- U.S. Citizenship
- Full-time student at a college in Northeastern Ohio, or, a resident of Northeastern Ohio; parents reside here and you are a full-time student elsewhere.

**To apply for a CAC-Ohio AFS Scholarship, provide us with the following information:**

1. A single page essay about your interest in the metal casting industry
2. An additional page giving the following details:
  - Name, address and phone number
  - School (currently attending)
  - Major area of study and your current GPA
  - Indicate if you are an AFS Member and if you attend the CAC-Ohio AFS Chapter meetings. Greater emphasis will be placed on those students who are active in the chapter through regular monthly meetings or other events.
  - Indicate if you are registered with the Foundry Educational Foundation
  - Work experiences and Co-op jobs, especially in metal casting and related areas
  - Metal casting related courses you have taken
  - Current interests in the industry and future career goals
  - Relatives or friends in the metal casting Industry
